Herbal Calendar 2017

In this year we want to celebrate "herbal" too!

Herbs are not only healthy and delicious, they contain many fine aromas, which make each of our dishes more refined and tasted more interesting.

Taste the fullness of the possibilities of our herbal kitchen. We have selected for the herbal season once again known and less known garden and wild herbs, which you will find on our menu for the special herbal weekends.

28. - 30. April	bear's garlic, goatweed and lemon balm
19. - 21. May	Watercress, elderberry and dandelion
09. - 11. June	nettle, spignel and sorrel
07. - 09. July	basil, rocket and nasturtium
25. - 27. August	chickweed, mint and parsley
22. - 24. September	yarrow, good king henry and buckhorn
20. - 22. October	sage, thyme and rosemary

We friendly invite you.
